NSERC Undergraduate Student Research Awards 2021 - 2022
Information for Potential Faculty Supervisors

Eligibility

FOR SUPERVISORS

It is the Faculty Supervisor's responsibility to ensure they meet the NSERC USRA’s eligibility criteria to supervise a USRA student.

Faculty Supervisors must:
- Be faculty members who are authorized to independently supervise students deemed by their home institution
  - As part of UBC’s requirement, eligible faculty will need to continue holding an active NSERC grant from the Research Grant List. Faculties/Schools have the ability to endorse non-NSERC grant holders to apply for the award, on the approval of the Associate Dean or appropriate designate.
- Ensure that the proposed research is in an area of natural sciences or engineering supported by NSERC. The eligibility guidelines in the Selecting the Appropriate Federal Granting Agency document have been updated to provide greater clarity in determining the eligibility of applicants’ proposed research. As an additional reference, an Addendum to the Guidelines for the Eligibility of Applications Related to Health contains examples of eligible and ineligible research topics.

FOR STUDENTS

Detailed student eligibility is outlined on the Student NSERC USRA website which can be visited here.

- The USRA research is a full-time activity. Students should not receive academic credits for the work done during the term of the USRA.
- Award holders may take a maximum of one course in addition to their USRA with the agreement of their supervisor.
  - If the course is during normal working hours, special arrangements with the supervisor must be made for the student to make up the time spent on the course.
- USRA holders are not permitted to do thesis research during the term of the award.
- In addition, the USRA program makes no provision for sick leave or other interruptions of awards. Please inform the UBC Liaison Officer immediately should a work term be interrupted or terminated early for any reason.
To encourage Indigenous students to pursue graduate studies and research careers in the natural sciences and engineering, awards to Indigenous students are considered in addition to UBC’s quota.

Application Procedures

1. Student/supervisor pair submits application to USRA Coordinator(s) by the Faculty/School/department deadline.

2. USRA Coordinator(s) reviews all applications and send their A&B Recommended Lists to the UBC Liaison Officer (UBC LO).

3. UBC LO reviews applications. Your application may be returned to you for correction. UBC LO sends corrected applications to NSERC by award deadlines.

4. A-List Faculty supervisors ensure student is appointed into their award term through Workday via a Hire BP.

5. Student and faculty supervisor commence USRA term on agreed start date.

The NSERC USRA is administered and coordinated through the Faculty/School/department USRA Coordinators. Each Faculty/School/department establishes procedures for identifying and ranking applicants and setting deadlines. For resources on the NSERC USRA application process at UBC, please visit our webpage. Note that all applications are evaluated based on the following criteria:

- Student’s academic record
- Student’s research aptitude
- Expected quality of the training to be received
  - **Expected quality of the training may include** examples of the supervisor’s previous experience, composition of the research group, any opportunities that the student would have working with them (e.g. access to equipment, opportunity for field work, collaboration, etc.), student’s interest within the research topic/project

1. To apply, both the faculty supervisor and student must complete and submit an online NSERC USRA application Form 202 Part I (student) and Part II (supervisor) by clicking on “System Login” or, if you are a first time user, “Register”.

   - **Instructions** on how to complete the forms can be found on the NSERC USRA website.
   - Please also review the NSERC USRA Form 202.2020-21 Common Errors for guidance on form completion.
   - If you already have an eligible student that you would like to work with, you will need to include their reference number on your application.
• Students also need to upload, with their application form, a copy of their official transcripts from **ALL** post-secondary institutions attended (including transcript legend(s)).
  ○ These need to be attached in a single PDF.
  ○ **ALL** post-secondary institutions attended must be cited in the student’s Academic Background.
• NSERC USRA offers a [video](#) for completing the application forms
  ○ Guidance for supervisors on completing Form 202 Part II starts at 05:22.
• NSERC will not accept hardcopy forms so the official application must be completed and submitted electronically.

2. Once completed online, a copy of the forms (Part I and Part II, as well as the student’s transcripts) have to be submitted to your Faculty/School/department USRA Coordinator for review.
   ▪ There are a limited number of awards allocated to UBC. USRA Coordinators have been asked to rank the eligible applications they receive. They will also create a contingency list of projects (B-list) in case higher ranked applications are withdrawn or ineligible. Deadlines for submission of all application forms are set by the USRA Coordinators.

3. The UBC Liaison Officer checks the supervisor and student USRA application forms before they are submitted to NSERC. The Liaison Officer will review and confirm all applications via NSERC’s online portal for Summer USRAs in April, Fall USRAs in August, and Winter USRAs in December.
   ▪ If there are any errors/omissions or the application is incomplete, the Liaison Officer may **RETURN** the application to the supervisor to allow the student and/or supervisor to make changes to it. If the application is returned, the faculty supervisor will receive two e-mails:
     ▪ a generic e-mail notification from NSERC informing them that their application has been returned
     ▪ an e-mail from the CSI&C office with details about the error or missing information, steps on how to make edits to their application and how to re-submit online.

4. For supervisors who have been awarded a USRA from their Faculty/School, they will need to submit the appropriate hire BP through Workday in order to appoint the student. Please connect with an administrator in your department or your Faculty/School/Department Coordinator to submit a student appointment. Refer to the **NSERC USRA Appointing Students 2021 - 22** information sheet for instructions.

5. Students and supervisors will begin their USRA term as per the agreed start date.
   • **Note:** It’s usually the case that students will start work on their USRA before awards are actually confirmed by NSERC. Supervisors must start payments to
students without waiting for approval of the awards from NSERC. Supervisors must also continue to employ any students whose applications are rejected by NSERC for the remainder of the work term.

- Award letters for the summer term will be issued directly to students in July. Award letters will be issued directly to students one month after the university term starts in Fall and Winter.

Questions?

You are encouraged to contact your Faculty/School/department USRA Coordinator in case you have any further questions. As a second resource you can also contact: UBC NSERC USRA Liaison Officer | UBC Centre for Student Involvement & Careers: nserc.usra@ubc.ca

Important Dates – 2020/21 USRA Competition

<table>
<thead>
<tr>
<th>NSERC USRA Application Period</th>
<th>Students and supervisors must register or log onto the NSERC online system to complete Form 202 Part 1 (student application) and Form 202 Part II (supervisor application) starting January 2021. Faculties/Schools/departments set their own internal deadlines. *UBC holds one annual competition a year for the Summer 2021, Fall 2021 and Winter 2022 terms. Applications for ALL terms must be submitted during this period.</th>
</tr>
</thead>
<tbody>
<tr>
<td>USRA Award Terms</td>
<td>Summer 2021 (May 1 - August 31) - *May 12, 2021&lt;br&gt;Fall 2021 (September 1 - December 31) - *September 6, 2021&lt;br&gt;Winter 2022 (January 1 - April 30) - *January 10, 2022&lt;br&gt;*latest a student can start working on their award</td>
</tr>
<tr>
<td>Student Appointments</td>
<td>All appointments must be submitted via Workday. Please contact your payroll rep or UBC IRP should you have any questions. The student’s official start/end dates should match the start/end dates on the appointment. <strong>Deadlines:</strong>&lt;br&gt;Summer 2021</td>
</tr>
<tr>
<td>Award Reimbursements</td>
<td>The CSI&amp;C office will arrange to reimburse supervisor accounts (grant) in the amount of $6,000 per student. Details around the logistics of the process will be communicated once the processes on Workday have been finalized.</td>
