Ice Breaker Lunch-time Activity

You will find a word tucked behind your name tag. Over the lunch break find a minimum of three other people and form a sentence about leadership using each of your words. There is no limit to how many people can be in one group. You can add “filler” words that will help you form a coherent sentence (e.g. to, and, is, etc).

Take a picture of your sentence – include the names and units of your team members - and post it to Instagram or Twitter using #UBCAdvising. The winning team will be announced at the end of the closing keynote and will be presented with amazing prizes!
