<i>Statistics</i>		March 2, 2018
	Andrea Sollberger gradinfo@stat.ubc.ca	<ol style="list-style-type: none">1. Watch for an announcement from the Department2. Check the Statistics Summer Research Assistant webpage for a list of available projects and further details3. As soon as you see a project you like, submit unofficial transcripts and a cover letter to the professor with whom you are interested in working. Make sure you submit your application right away, or the project you're interested in might be gone! Students from other programs with a background and interest in Statistics are welcome to apply.4. After the deadline, professors will interview candidates and will make a decision
<i>Zoology</i>	Gerard Cowan coordinator@zoology.ubc.ca	February 20, 2018 @ 4:00PM
