

Work Learn International Undergraduate Research Awards 2022 - 2023 Appointing Students (via Workday) – Information for Faculty Supervisors (Faculty of Arts)

Below are some important pieces of information pertaining to hiring a student via Workday. Note that this information is specific to hiring a Work Learn International Undergraduate Research Awards (WLIURA) student for the **Summer 2022** term.

The deadline to submit your Hire BP for the Summer 2022 term is **May 13, 2022**.

Hiring a Student

1. **Create Position Business Process (Workday):** Once you have selected your ideal candidate for the WLIURA position, you will need to complete the 'Create Position' business process (BP) in Workday. This process creates the WLIURA position you want to appoint the student into.

There are a few important things specific to your WLIURA appointment in this BP:

- Under "Job Posting Title", please use the following naming convention to indicate that the WLIURA position is for the Summer 2022 term: (i.e. "S22 WLIURA – YOUR POSITION TITLE")
- Select the appropriate Job Profile for your WLURA appointment (By Job Family > Student (JFG) > Student – Work Learn > **Student Salaried – Work Learn International URA (UBCV Full Time)**)
- Additional information:
 - Time Type: "Full time"
 - Worker Sub-Type: "Term (Fixed Term)"
- The WL IURA program subsidy for faculty supervisors in the Faculty of Arts is **\$8,000**, an additional \$2,000 from the regular program subsidy amount of \$6,000.
- Only **Arts International Undergraduate Students** can be hired under a Faculty of Arts WL IURA Supervisor.
- Students who are hired under an Arts faculty member should be paid a minimum salary of **\$10,506.50** inclusive of 4% vacation pay for a 16 consecutive-week-award duration. Note that the minimum faculty top-up amount is **\$2,506.50**. Supervisors who wish to provide a higher top-up can do so on their own accord.

- Students should be paid at least **\$18.04/hour** through the Work Learn International Undergraduate Research Awards program.
- If the student is appointed for a period of more than 16 weeks, this should be reflected in the student's wage with an increase of at least \$131.33 per additional day (inclusive of 4% vacation pay) or \$656.66/week (inclusive of 4% vacation pay).
- You will need to convert the per-period salary to a monthly rate on Workday using the salary calculator:

<http://payrollintranet.ubc.ca/calculators/perperiodcalculator.htm>

- For example, the monthly salary from May 2 – Aug 19, 2022 is **\$2,865.41** per month. The monthly salary varies depending on the start and end date of employment, and it's determined by using the salary calculator:

- Expand "Additional Details", please include the end date of the WLIURA appointment.
 - Please ensure that the appointment is for a period **of at least 16 consecutive weeks** and that the dates of employment are accurate.
 - The latest date a student can start working to meet the 16-week minimum requirement is:
 - Summer 2022 (May – August): **May 16, 2022**

- For information on how to create a position in Workday, please review the following [training resources](#) developed by the Integrated Renewal Program (IRP) team. You can also contact the [IRP Help Desk](#) or call IRP directly at 604-822-8200.
- 2. **Direct Hire Business Process (Workday):** Once your position has been approved in Workday via the 'Create Position' BP, and you have selected the student you wish to hire into your WLIURA position, you will need to complete the 'Direct Hire' BP in Workday.

There are a few important things specific to your WLIURA appointment in this BP:

- Select the arrow to expand the 'Additional Information' section.
- Update the position Job Title to "S22 WLIURA - YOUR POSITION TITLE"
- Update the "Default Weekly Hours" to 35.
 - Note: The student is expected to be working full-time hours (35 paid hours/week plus a 1-hour/day unpaid lunch break).
- Under "Additional Job Classification", you will need to identify the student's degree level (Departmental Use > "Bachelor Student - International") and complete the end date of the appointment.
- **You must also submit the unique WLIURA project ID, the student number of the student you wish to hire and student's residence in Canada this Summer (specifically the province they will reside in) and the per period salary into the first comments field in this BP, using the following format {Project ID; Student #; Canadian Province; Per-period salary}.**
 - For example, for project ID 122000, student number 12345678, student residing in BC and paid \$10,506.50 for the award term, you will enter **{122000; 12345678; BC; \$10,506.50}**.
 - This ID allows our office to verify that the information submitted in this BP is what was approved and to confirm student eligibility.
 - We'll send back the BP if this is not provided.
- **Due to limitations to our Security Access on Workday, we require administrators to make sure that students have valid visas to be eligible to work in Canada for the duration of the work term. If a student is graduating in May 2022, please ensure they have applied for PGWP, or if they have enrolled in Graduate School, to have a valid offer letter.**
