

## Work Learn International Undergraduate Research Awards 2023 - 2024 Information for Faculty/School/Department Coordinators

November/December 2022

### **Step 1: Prepare for the cycle**

**ACTION #1:** Review correspondence from Workplace Learning staff, Centre for Student Involvement and Careers.

- This correspondence includes your Faculty/School award allocation numbers, competition cycle deadlines, student eligibility information, and project proposal requirements.
- Further information and a guide for School/Faculty/Department Coordinators are available on the Work Learn International Undergraduate Research Awards [staff and faculty-facing website](#).
- Information for students will be updated on the [student-facing program website](#).

**ACTION #2:** Update all information on any of your Faculty/School/Department's webpages regarding the award. Notify [worklearn.iura@ubc.ca](mailto:worklearn.iura@ubc.ca) of these updates to ensure the [program website](#) successfully links to your pages.

January 2023

### **Step 2: Promote opportunity**

**ACTION:** Promote the program to students and faculty members in your Faculty/School/department.

**Call for Research Project Proposals will open from November 28, 2022 to January 27, 2023.**

### **Step 2: Attend an information session**

Date and time: January 10, 2023, at 1:00pm - 2:00pm

**ACTION:** Attend the information session delivered by Workplace Learning staff, Centre for Student Involvement and Careers. Please bring any questions you have about the proposal process and your role as a Faculty/School/Department Coordinator.

February/March 2023

### **Step 3: Review project proposals**

Faculty members will submit research project proposals to [UBC CareersOnline](#) by **January 27, 2023**. The step-by-step submission guide can be found [here](#).

**ACTION:** Research project proposals will be sent to you by **February 8, 2023**.

- You and/or your Faculty/School/Department will review the proposals and choose which projects should receive the award (limited to Faculty/School award allocation numbers) by submitting an "A-list" to [worklearn.iura@ubc.ca](mailto:worklearn.iura@ubc.ca) by **February 28, 2023**.
- You can submit a "B-list" of research project proposals, should more funding become available or an "A-list" research project fails to recruit an eligible student.

**Faculty members will receive a decision on their research project proposal(s) by week of March 6, 2023. Students can apply to these positions on UBC CareersOnline from March 13 - 26, 2023.**

April/May 2023

### **Step 4: Provide administrative support**

Submit the appropriate Hire BP via Workday by **May 12, 2023**.

**ACTION:** As Faculty/School/Department Coordinators, you may be required to support faculty supervisors with setting up the appropriate Hire BPs via Workday and addressing student inquiries relating to the start of their award.

If you have any questions about the Work Learn International Undergraduate Research Awards application process, please contact Workplace Learning staff, Centre for Student Involvement and Careers at [worklearn.iura@ubc.ca](mailto:worklearn.iura@ubc.ca).

## Work Learn International Undergraduate Research Awards 2023 - 2024 Information Sheet for Faculty/School/Department Coordinators

### Coordinators' Roles

- Act as the main liaison between your Faculty/School/Department's faculty supervisors, students, and the Centre for Student Involvement and Careers (CSI&C).
- Determine how the awards will be distributed and promote this program within your Faculty/School/Department.
- Ensure that all faculty supervisors and students who apply meet the [program eligibility criteria](#). We are able to verify eligibility of students if necessary.
- Forward your funded research project proposal list to the CSI&C and set up the appropriate Hire business processes (BP) via Workday by the deadline dates provided.

### Procedures

1. Promote the program within your Faculty/School/Department, advise students and potential supervisors of the research project proposal process, directing faculty supervisors to submit their proposal on [UBC CareersOnline](#).
  - Faculty members can download a [step-by-step guide](#) on how to submit a research project proposal.
  - The Call for Research Project Proposals open from **November 28, 2022 - January 27, 2023**.
2. CSI&C will send research project proposals to you by **Wednesday, February 8, 2023**. Faculty/schools/department offices may allocate awards within the quota distribution using their own internal processes, with the expectations that funded research project proposals offer students meaningful research-oriented workplace experiences.
  - Determine which projects should receive the award (limited to Faculty/School award allocation numbers) by submitting an "A-list" to [worklearn.iura@ubc.ca](mailto:worklearn.iura@ubc.ca) by **Tuesday, February 28, 2023**.
  - You can submit a "B-list" of research project proposals, should more funding become available or an "A-list" research project fails to recruit an eligible student.
3. As Faculty/School/Department Coordinators, you may be required to support faculty supervisors with setting up the appropriate Hire BP via Workday and addressing student inquiries relating to the start of their award.

- 4. Submit to the CSI&C:
