Work Learn International Undergraduate Research Awards 2024 - 2025
Appointing Students (via Workday) – Information for Faculty Supervisors
(Faculty of Arts)

Below are some important pieces of information pertaining to hiring a student via Workday. Note that this information is specific to hiring a Work Learn International Undergraduate Research Awards (WLIURA) student for the Summer 2024 term.

The deadline to submit your Hire BP for the Summer 2024 term is May 10, 2024.

Creating a WL IURA Position in Workday

1. **Create Position Business Process (Workday):** Once you have selected your ideal candidate for the WLIURA position, you will need to complete the ‘Create Position’ business process (BP) in Workday. This process creates the WLIURA position you want to appoint the student into.

   There are a few important things specific to your WLIURA appointment in this BP:
   - Under “Job Posting Title”, please use the following naming convention to indicate that the WLIURA position is for the Summer 2024 term: (i.e. “S24 WLIURA – YOUR POSITION TITLE”)
   - Select the appropriate Job Profile for your WLURA appointment (By Job Family > Student (JFG) > Student – Work Learn > Student Salaried – Work Learn International URA (UBCV Full Time))
   - Additional information:
     - Time Type: “Full time”
     - Worker Sub-Type: “Term (Fixed Term)”
   - The WL IURA program subsidy for faculty supervisors in the Faculty of Arts is $8,700, an additional $2,700 from the regular program subsidy amount of $6,000.
   - Only Arts International Undergraduate Students can be hired under a Faculty of Arts WL IURA Supervisor.
   - Students who are hired under an Arts faculty member should be paid a minimum salary of $11,205.38 inclusive of 4% vacation pay for a 16 consecutive-week-award duration. Note that the minimum faculty top-up amount is $2,505.38. Supervisors who wish to provide a higher top-up can do so on their own accord.
- Students should be paid at least $19.24/hour through the Work Learn International Undergraduate Research Awards program.
- If the student is appointed for a period of more than 16 weeks, this should be reflected in the student’s wage with an increase of at least $140.07 per additional day (inclusive of 4% vacation pay) or $700.34/week (inclusive of 4% vacation pay).
- You will need to convert the per-period salary to a monthly rate on Workday using the salary calculator: http://payrollintranet.ubc.ca/calculators/perperiodcalculator.htm
  - For example, the monthly salary from May 1 - Aug 20, 2024 is $3,081.48 per month. The monthly salary may vary depending on the start and end date of employment, and it’s determined by using the salary calculator: http://payrollintranet.ubc.ca/calculators/perperiodcalculator.htm. Below is a screenshot of the salary calculator:

![Salary Calculator](https://example.com/salary-calculator.png)

- In addition, supervisors are required to fund benefits (CPP, EI, WCB) amounting to approximately 7.48% of the monthly wage.
- Any questions regarding wage calculations can be directed to the general inbox at worklearn.iura@ubc.ca.
  - Expand “Additional Details”, please include the end date of the WLIURA appointment.
Please ensure that the appointment is for a period of at least 16 consecutive weeks and that the dates of employment are accurate.

The latest date a student can start working to meet the 16-week minimum requirement is:

- Summer 2024 (May – August): **May 13, 2024**

For information on how to create a position in Workday, please review the following training resources developed by the Integrated Renewal Program (IRP) team. You can also contact the **IRP Help Desk** or call IRP directly at 604-822-8200.

2. **Direct Hire Business Process (Workday):** Once your position has been approved in Workday via the ‘Create Position’ BP, and you have selected the student you wish to hire into your WLIURA position, you will need to complete the ‘Direct Hire’ BP in Workday.

There are a few important things specific to your WLIURA appointment in this BP:

- Select the arrow to expand the ‘Additional Information’ section.
- Update the position Job Title to “S24 WLIURA – YOUR POSITION TITLE”
- Update the “Default Weekly Hours” to 35.
  - Note: The student is expected to be working full-time hours (35 paid hours/week plus a 1-hour/day unpaid lunch break).
- Under “Additional Job Classification”, you will need to identify the student’s degree level (Departmental Use > “Bachelor Student – International”) and complete the end date of the appointment.
- **You must also submit the unique WLIURA project ID, the student number of the student you wish to hire and student’s residence in Canada this Summer (specifically the province they will reside in) and the per period salary into the first comments field in this BP, using the following format** `{Project ID; Student #; Canadian Province; Per-period salary}`
  - For example, for project ID 124000, student number 12345678, student residing in BC and paid $11,205.38 for the award term, you will enter `{124000; 12345678; BC; $11,205.38}`.
  - This ID allows our office to verify that the information submitted in this BP is what was approved and to confirm student eligibility.
  - We’ll send back the BP if this is not provided.
Due to limitations to our Security Access on Workday, we require administrators to make sure that students have valid visas to be eligible to work in Canada for the duration of the work term. If a student is graduating in May 2024, please ensure they have applied for PGWP, or if they have enrolled in Graduate School, to have a valid offer letter.

Additionally, supervisors will need to ensure that your international student(s) must maintain their minimum eligibility requirements in order to maintain their employment as per the full time for immigration purposes. Full-time status is the minimum requirement to work on or off campus, among other requirements.

Specifically, undergraduate international students are considered full-time for immigration purposes if they are registered in 9 or more credits per term with the following exceptions:

- When they are in their final academic term, registration in any number of credits is considered full-time.
- They have Academic Accommodation approved by the Centre for Accessibility (CFA). In this situation, they are considered full-time with 6 credits.

If your student is unable to work full-time and does not meet any of the above exceptions, please have them connect with an International Student Advisor to determine their eligibility to work.

Note: For early-termination of awards or shortened award terms, the program requires that the minimum total per period pay cannot be lower than the Work Learn International Undergraduate Research Award funding of $8,700.

Please see below screenshots of this step in the process within Workday.
Under "Job Details", find the position of interest (fields in this section will auto-populate).

Select the arrow to expand the "Additional Information" section and add in hours per week, start date/end date, etc.
Hiring a Student Employee in Workday: Hire Business Process (BP)

**Hire Employee:** Once the position has been created, you can proceed to the relevant Business Process Hire Employee:

- **KB0018940 - Direct Hire: Student** The new student hiring process is designed to
streamline hiring for current students. To start the hiring process, you will search for the student’s record directly in Workday using their Student ID number.

- Please note: When hiring for any position, hiring managers will need to check if their candidate has a student record in Workday to prevent creating duplicate records.

Direct Hire Changes

**KB0017265 – New Process to Hire Students:** When hiring any candidate into any type of position (staff, student, or faculty), the person initiating the hire must review the candidate’s application and work/education history to determine if they may have a student record in Workday. If there is any chance the candidate has a student record, it is critical that the person initiating the hire search for this record in order to prevent creating a duplicate identity.

**When to Use Which Workday Process:**

- When hiring a current UBC student (someone enrolled in the current academic session), use the new Hire Student process to hire directly from a student record.
- When hiring a former UBC student (someone enrolled in a previous academic session), use the Hire Employee process and use the candidate’s student number to match to their student record.
- When hiring a former UBC student who is also a former UBC employee, hire using Hire Employee and the candidate’s Employee ID number.
- When hiring a current or former UBC student who is also a current UBC employee, use “Add Job.”

If any information does not match what you received funding for, the student is not eligible to hold a WLIURA appointment as per the student eligibility, or any other changes need to be made, our office will ‘send back’ this BP to the owner for review and resubmission.

If you have additional comments you would like to enter into this BP, please enter them into the other comments fields within this BP.

- For information on how to Direct Hire or Change Job on Workday, please review the following training resources developed by the Integrated Renewal Program (IRP) team. You can also contact the IRP Help Desk or call IRP directly at 604-822-8200.

**Award Reimbursement**

- We accept only one Worktag (Grant/Cost Centre/Program etc.) to be used to pay the student’s salary for ease of your reimbursement.
Questions?

- If you have any questions about the Work Learn International Undergraduate Research Awards student appointment process, please contact Workplace Learning staff, Centre for Student Involvement and Careers at worklearn.iura@ubc.ca.
- If you have specific questions about Workday, please contact the UBC IRP team for further support.
