

## WORKPLACE LEARNING | SITE VISIT

### SUPERVISOR QUESTIONS

- Can you tell me a little bit about the work that you've been working on with the student this term? Can you share some of the projects that you've been working on together with the student?
- Tell me a bit about your onboarding process. What supports/guidance were provided to the student? What had the biggest impact on the student's learning/success?
- Have you had any opportunities to share constructive feedback with the student? If so, how did that go? Was the feedback integrated?
- Based on your initial expectations for this Workplace Learning position, how has your student progressed towards achieving the desired expectations/responsibilities/outcomes?
- Can you provide some examples of how (and from whom) this student has received mentorship during this workplace learning experience? What does this look like?
- What opportunities has your student had to engage in professional development and/or critical reflection?

### STUDENT QUESTIONS

- What are 3 accomplishments that you are proud of so far? (These could be in terms of your professional growth, related to a project, learning a new skill, etc)
- Considering your working relationship with your direct supervisor, what works well? What challenges (if any) that you have experienced? How have you addressed (or plan to address) these?
- Can you give me an example of how your work as a student employee has positively influenced your experience at UBC?
- How is this position fitting in with your academics? What are you learning here that is helping you with school and/or what are you learning at school that is helping you with your job?
- What connections have you made (peer-to-peer, professional, etc.) that may be useful to you in your future? How might you use them?
- Can you give me a couple examples of things that you have learned in your work term that you think you may use in your future career?
- How (if at all) has this work changed your thinking about your career goals?
